

Kenyon Agricultural Society

Sponsorship Package 2024

Dear Supporter,

As we take a look back at the success of The Maxville Fair in 2023 and continue our planning for this year's fair we look to our great community, attendees & sponsors and say thank you. If you were not able to attend our fair last year, a little glimpse of the 2023 Maxville Fair was that we had some great new events and games added to the program, our existing events and festivities went over very well and a fantastic Sunday breakfast was had. It may have been one of the colder days of June, but with a great turnout and events we cannot wait to host our annual fair once again on June 21 to 23rd, 2024.

With the ongoing planning and budgeting of the fair we look to the community partners and businesses for support. We have put together this sponsorship package to help improve the thanks & recognition our sponsors receive throughout our events, but also to better The Maxville Fair for years to come. Please see the additional details, to understand how you and/or your business can help the 135th Maxville Fair.

For more information regarding sponsorship of The Maxville Fair, please contact Sydney Kippen at 613-327-6976 or via email maxvillefair.sponsor@gmail.com

On behalf of all directors of the Kenyon Agricultural Society

Thank you very much,
